This Dual Diagnosis Program is meant to help adults 18 and over, specifically with both chemical dependency and mental health conjoint diagnoses. The goals are to teach clients how to maintain sobriety, along with learning and practicing important life skills to offset strong emotional responses that occur as a result of being sober, in a setting that is supportive and stable.

Please call Michael Pollak at 440 392 2222 Ext. 301 for an initial assessment.
