Mental Health Clinicians

The Behavioral Wellness Group, a respected, independent private practice in Lake County, Ohio, is excited to announce a search for **Independently Licensed Psychologists/Clinical Counselors/Social Workers** to join our team. Our staff sees adults, adolescents and young children for individual, couples, intensive group therapy, medication management and psychological testing, allowing flexibility in clientele.

We are looking for clinicians who primarily prefer to work with **Children and Adolescents** as well as those preferring to see **Couples and Families**. We are looking for team players who enjoy a comfortable, professional atmosphere that encourages growth. We are seeking quality clinicians to join our expanding practice. We are in search of full and part time clinicians for in-office / virtual / and hybrid models. Our flexible scheduling includes day, evening and weekend appointments to suit your needs.

BWG offers a competitive percentage of collections, a personal profile on our website, aggressive online marketing, electronic scheduling, and billing programs, and knowledgeable support staff.

BWG is a free-standing, private mental health practice. Our programs are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and certified by the Ohio Department of Mental Health and Addiction Services. Additional details are available on our website:
